

WEST COAST TENNIS CHRISTMAS ORDER FORM

TENNIS RACQUETS

I have had a lot of interest from parents regarding purchasing tennis racquets for presents, so the kids can do more practice at home over the Christmas break. If you would like to purchase a racquet, please fill in the order form below and I will contact you to discuss the correct racquet.

19" racquets (3-4 year olds)
23 " racquets (7-9 year olds)

21" racquets (5-6 year olds)
25" racquets (10-12 year olds)

ALL BASIC RACQUETS ARE \$40.

PLEASE NOTE HIGH QUALITY JUNIOR AND ADULT RACQUETS CAN ALSO BE PURCHASED BUT PRICE WILL DEPEND ON THE INDIVIDUAL RACQUET REQUIRED- CALL TO DISCUSS.

LOW COMPRESSION TENNIS BALLS

I have been asked by many parents about the low compression tennis balls we are using in the lessons and where they can buy them from. It is very important to practice with the correct racquets and balls, as the normal tennis balls bounce too high and are too heavy for the children. This will lead to children using incorrect technique, struggling to rally consistently and parent frustration! If you are interested in purchasing some balls I am currently selling them at **\$30/dozen**. The balls are age/skill specific (3 types of low compression balls), so I am happy to do a mixed dozen if you have more than one child.

Please fill in the order form below and I can select the correct balls for the age/skill of the child.
